

NO.PWRS/E-2720/2015
GOVERNMENT OF ARUNACHAL PRADESH
DEPARTMENT OF POWER :: A P CIVIL SECRETARIAT
ITANAGAR

Dated Itanagar the th August 2015

NOTIFICATION

As per the Indian Electricity Act 2003 under section 31, it is required by the State Government to establish a centre to be known as State Load Despatch Centre (SLDC) for the purpose of facilitating and promoting transmission wheeling and interconnection arrangements within its territorial jurisdiction for the transmission and supply of electricity by economical and efficient utilization of electricity.

In fulfilment of section 31 of the said Act, the Government of Arunachal Pradesh has established the State Load Despatch Centre under transmission, Planning and Monitoring Zone, Department of Power, Arunachal Pradesh at Raj Bhawan Power House Complex, Itanagar in the name and style of State Load Despatch Centre and Transmission Division-II vide T.O No FWRS/E-31/2014-15/806-15 Dated 18th March 2015.

Having established the SLDC as above, it is hereby further notified that:-

- 1) The SLDC shall be the apex body to ensure integrated operation of the Power System in the State and therefore shall be responsible for enforcing all the functions as specified in Section 32 of the Indian Electricity Act 2003.
- 2) The SLDC may give direction and exercise such supervision and control as may be required under section 33 of the said Act for ensuring integrated grid operation and for maximum economy and efficiency in the operation of power system in the State requiring every licensee, generating companies/stations and any other person connected with the operation of power system to comply with the direction issued by the SLDC.
- 3) The SLDC may also exercise control and issue supervisory instructions and enforce the Indian Electricity Grid Code (IEGC) and the Arunachal Pradesh State Electricity Regulatory Commission (APSERC) Grid Code and other regulation issued by Central Electricity Regulatory Commission (CERC)/Central Electricity Authority (CEA)/APSERC etc constituted under Electricity Act 2003 for compliance by all concerned.
- 4) The SLDC may also formulate State Grid Operational Procedure which shall be complied by all concerned.
- 5) In order to enforce the above provisions, the following are further notified that :
 - (i) The Executive Engineer (E) SLDC is hereby declared to be the head of SLDC who may exercise all such power and function as envisaged under the relevant section of Indian Electricity Act 2003 under supervision and advice of the Chief Engineer (P), TP&M Zone and the Superintending Engineer (E) Transmission.

- (ii) The Assistant Engineer (E) SLDC shall be the deputy head of the SLDC and exercise all power and function delegated to him by the head of the SLDC and to exercise all such power and function in the absence of the head of SLDC in and under consultation and advice of the Chief Engineer (P), TP&M, Zone and the Superintending Engineer (E) Transmission.
- (iii) The Junior Engineer (E)s of SLDC shall function as Shift in-Charge of control centre for the purpose of secured and integrated grid operation and may issue instructions and exercise supervisory role on real time basis to enforce all provisions made in the IEGC, APSCERC Grid Code and operating procedure in force.
- (iv) All the control centre operators are authorised to issue instructions to all concerned in matters which must be dealt in a real time basis in order to maintain secured, economical and integrated grid operation and for the best practices as may be prescribed under Grid operating codes and procedures in consultation of the shift in-Charges.
