12. The contractor shall be required to deposit an amount equal to **5% (five percent)** of the tendered value of the work as **Performance Guarantee** in the form of an irrevocable bank guarantee bond of any scheduled bank or State Bank of India in accordance with the form prescribed or in cash or in the form of Govt. security, fixed deposit receipt, etc., as in the case of recovery of security deposit, within prescribed number of days of the issue of letter of acceptance. This period can be further extended by the Engineer-in Charge up to a maximum period of prescribed number of days on written request of the contractor.
13. The description of the work is as follows: - **“C/O Sub-Divisional Office Building i/c 2 x 5 men bachelor barack , 2 Nos. Section Office in and around Pangin & Boleng Administrative Circle under SPA 2011-12”**.

Copies of other drawings and documents pertaining to the works will be open for inspection by the tenderers at the office of the above mentioned officer.

Tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity access. Facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plant, etc. will be issued to him by the Government and local conditions and other factors having a bearing on the execution of the work.

14. The competent authority on behalf of the Governor of AP does not bind itself to accept the lowest or any other tender and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.
15. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
16. The competent authority on behalf of Governor of AP reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
17. The contractor shall not be permitted to tender for works in the PWD Circle (responsible for award and execution of contracts) in which his near relative is posted as Divisional Accountant or as an officer in any capacity between the grades of superintending Engineer and Junior Engineer (both inclusive). He shall also intimate the names of persons who are working with him in any capacity or

are subsequently employed by him and who are near relatives to any gazetted officer in the CPWD. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this Department.

18. No Engineer of gazetted rank or other Gazetted officer employed in Engineering or Administrative duties in an Engineering Department of the Government of AP is allowed to work as a contractor for a period of one year after his retirement from Government service, without the previous permission of the Government of AP in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had not obtained the permission of the Government of AP as aforesaid before submission of the tender or engagement in the contractor's service.
19. The tender for the works shall remain open for acceptance for a period of sixty days from the date of opening of tenders. If any tenderer withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the re-tendering process of the work.
20. This Notice inviting Tender shall form a part of the contract document. The successful tenderer/contractor, on acceptance of his tender by the Accepting Authority, shall, within **07 days** from the stipulated date of start of the work, sign the contract consisting of:-
 - a) The notice inviting tender, all the documents including additional conditions, specifications and drawings, if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading there-to.
 - b) Standard CPWD Form 7/8
21. For Composite Tenders:-
 - 21.1.1. The tenderer must associate with himself agencies of the appropriate class eligible to tender for the other component individually.
 - 21.1.2 It will be obligatory on the part of the tenderer to sign the tender documents for all the components. (The schedule of quantities, conditions and special conditions, etc).
 - 21.1.3 After the work is awarded, the contractor will have to enter into separate agreements for each component with the Officer concerned.
 - 21.2 The Executive Engineer In-charge of the major component will call tenders for the composite work. The cost of tender document and earnest money will be fixed with respect to the combined estimated cost put to tender for the composite tender. Security Deposit will be worked out separately for each component corresponding to the estimated cost of the respective component of works. The Earnest Money will become part of the security deposit of the major component of the work.
 - 21.3 On acceptance of the composite tender by the competent authority the letter of award will be issued by the Executive Engineer In-charge of the major component on behalf of the Governor of Arunachal Pradesh, making it clear in the letter of award that the contractor will have to execute separate agreements for different component of work with the concerned Officers of the respective discipline (Designation to be given).

21.4 A recovery of 1% (One percent) of total of the work done shall be made from the bill of the contractor on account of **THE BUILDING AND OTHER CONSTRUCTION WORKER'S WELFARE CESS ACT, 1996**
