QUALIFYING REQUIREMENT (QR)

Executive Engineer (E)
Aalo Electrical Division
Dept. of Power, Aalo

QUALIFYING REQUIREMENT (QR) OF THE BIDDER

In addition to the general qualification requirement set forth in clause 2.0 of Section INB Part-III(Vol.1/3) the bidder has to qualify the following criteria for selection to the next stage of the bid:

1.0 The bidder must have pre-qualified in stage I (Part-I).

2.0 EXPERIENCE OF SIMILAR WORKS: The minimum qualifying requirement for completed work experience on each of the types of work in aggregate shall not be less than 50% of the quantity prescribed in aggregate for each of the packages or as may be fixed by the authority more than this benchmark.

(The bidder must have successfully **DESIGNED / MANUFACTURED / SUPPLIED / ERECTED/ TESTED / COMMISSIONED 3KM OF 132kV LINE** during the last 10 (ten) years as on the date of Bid opening and which must be in satisfactory operation for at least 2 (two) years as on the date of bid opening). The bidder shall produce experience certificate signed by competent authority not less than the rank of Executive Engineer.

3.0 AVAILABLE BID CAPACITY (ABC)

i) The bidder must have their **Available Bid Capacity** (herein after referred to as **ABC**) equal to or more than the total bid value. The ABC will be calculated as under:

$$ABC = (A*N*M - B) \quad \text{Bid Amount}$$

Where

A = Annual average value of Works of similar nature executed during the last five years (updated to the current price level by adding price escalation rate at the rate circulated by DOP, compounded annually) taking into account the completed as well as works in progress.

N = Number of years prescribed for completion of the works for which bids are invited (period up to 6 months to be taken as half-year and more than 6 months as one year).

M = 2.5

B = Value (updated to current price level) of existing commitments and on-going works to be completed during the period of completion of the works for which bids are invited.

ii) Assessment of ABC should be made and supported by a statement of audited accounts and statement of details of works completed and in hand supported further by copies of work orders and other relevant documents duly certified a chartered accountant in case of private works and by an officer not below the rank of an Executive Engineer/AGM in case of govt or semi-govt works or by both in each case as may be required for authenticity. (Calculations be shown in annexure)

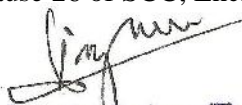

4.0 The bidder-

(i) shall submit the bids as single firm and submit an affidavit to that effect as per clause-10 of section INB, Part-III(Vol-1/2).

(ii) must fill up the GTP fully and leaving it blank would entail rejection outright.

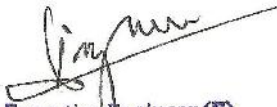

Executive Engineer (E)
Asst. Electrical Division
Dept. of Power, Aaid

- (iii) must be free from all legal encumbrance and submit an affidavit to that effect.
- (iv) must submit supporting documents of legal status namely like contractor registration/license/Company registration etc.
- 5.0** The average annual turn over of the bidders for the best three financial years out of last five (5) financial years of the bidder as annualized should be at least **50% of the estimated cost or the bid amount whichever is more.**
- 6.0** The bidder shall have Liquid Assets (LA) and/or evidence of access to or availability of credit facilities of not **less than 30% of the estimated cost or the bid amount whichever is more.** The bidder shall furnish documentary evidences in support of the qualifying requirement stipulated above as per QR of Part-II and as per **Annexure-“A” in Part-I.**
- 7.0** The bidder shall clearly list out all Commercial or Technical deviations from the bid stipulation as per **Schedule-2 & Schedule-3** of this document.
- 8.0** The bidder shall list out all additional information furnished along with the bid as per **Schedule-4** of this document.
- 9.0** The bidder shall list out all information regarding ex-employees of the Department of Power, Arunachal Pradesh, as per **Schedule-5** of this document.
- 10.0** The bidder shall declare that their prices are firm basis as per **Schedule – 6** of this document.
- 11.0** The bidder has to expressly commit through an affidavit that he has understood the entire project requirements and execute the entire work as a single turnkey work for which he has quoted his price inclusive of the following conditions:-
- a) All materials of supply with its associated accessories and fittings to fulfill the requirement of the successful operation as per the minimum specified level of performance as per GTP or GTC whichever is better in case of any conflicts.
 - b) All associated software and drivers of the system to fulfill the requirement of successful operation as per the specified level of performance in this contract.
 - c) All customized items and designs as may be required to fulfill the desired objectives of this contract, but not expressly described in the specifications and the GTP, shall have to be included in this tender as standard accessories without extra cost.
 - d) Shall operate and maintain the assets created under this contract seamlessly for the entire period, provided that “Maintenance of Assets” is defined in the Special Conditions of Contract (SCC).
 - e) Shall place adequate trained technical manpower in the project for maintaining and training of the departmental staff for gradual take over during the period.
 - f) That the bid price quoted is inclusive of all the contingency expenses which also include cost of land acquisition, ROW, site development, approaches etc as mentioned in the clause “Turn-key Concept and Completeness of Work” in the SCC.
 - g) Any additional items (DOP official only) ref clause 26 of SCC, Enclosure-2

 Executive Engineer (E)
 Aalo Electrical Division
 Dept. of Power, Aalo

12.0 DIS-QUALIFICATION

- I) The bidder, even after qualifying the above criterion and succeed this contract, shall face disqualification as breach of contract, at any stage during the validity of this contract if the information furnished are proved to be false after verification.
- II) The bid shall be rejected outright at the initial stage itself if the bidder has:-
- a) Left any of the QR unfulfilled or kept unattended or information given is not in the right envelope as described herein this document.
- OR
- b) Made misleading or false representations in the forms, statements, affidavits and attachments submitted in proof of the qualification requirements;
- OR
- c) A record of poor performance, such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures or found blacklisted or de-registered by any state/central govt agencies.
- OR
- d) Participated in the previous bidding for the same work and rejected on the grounds of any malpractice or fraudulent acts or unethical & immoral acts.
- OR
- e) Not furnished certified supporting statements and documents with list of contact details of the persons providing or certifying the documents.

SCHEDULES

Executive Engineer (E)
Aalo Electrical Division
Dept. of Power, Aalo

Schedule-1 of QR

QUALIFYING CRITERIA

Bidder's Name & Address	To The Executive Engineer (E) Aalo Electrical Division Department of Power Aalo - 791 001 (A.P)
-------------------------	--

Dear Sirs,

In support of our meeting the Qualifying Requirements (QR) for Bidders, stipulated in the QR Section of Part-II of Bidding Documents, we furnish herewith, the details/documents/confirmations etc. as follows:

1.0 Constitution or legal status of the Bidder

- 1.1 Copies of original constitution, place of registration and principal place of business are enclosed with our Bid at (Attachment No. to be indicated).
- 1.2 Written power of attorney defining the authorized signatory of the bid on behalf of the bidder is enclosed herewith our Bid at (Attachment No. to be indicated).
- 1.3 The qualification and experience of key personnel proposed for carrying out the work are indicated in the format given at 2.7 of Schedule-1. Other supporting documents are enclosed at (Attachment No. to be indicated).

2.0 (Reference: Clause 3 of QR - Section of Part-II)

- 2.1 We meet the stipulated QR, as mentioned at clause No.3 of Part -II based on the following:

2.1.1 Qualifying informations:

a). Table-A: Completed Works.

Name of Bidder:

Sl. No.	Name of Project	Description of work	Name of customer/Employer	Value of Contract	Contract no and date of Order	Stipulated Date of completion	Actual date of completion	No. of years of satisfactory operation as on date of bid opening	Sl. No of Certificate enclosed as attachment

Executive Engineer (E)
Aalo Electrical Division
Dept. of Power, Aalo

b). Table B: Ongoing Works and Existing Commitments.

Name of Bidder:

Sl. No.	Name of Project	Description of work	Name of customer/Employer	Value of Contract	Contract no and date of Order	Stipulated date of completion	Expected date of actual completion	Sl. No of Certificate enclosed as attachment

*Name of the proposed sub-contractor is

Documents in support of Para 2.1 above are enclosed with our bid at (Attachment No. to be indicated).

Note: Continuation sheets, of like size and format, may be used as per bidder's requirements and annexed to this Schedule and suitably put cross reference.

2.1.2 Calculation of ABC in pursuant to clause 3.0 of Section QR, part II.

ABC = A*N*M-B Bid amount

(Note: The Bidder must calculate the ABC and indicate the calculation here.)

2.2 (Reference: Para 4.1 of QR Section of Part-II)

2.2.1 We have submitted our Bid as a Single Firm/Company who meets all the qualification requirement set forth in clause 1 through to 12 of QR-Section of Part-II as per stipulated qualifying requirements are furnished in the format given at tables A and B along with customer's certificate towards satisfactory operation.

Documents in support of above are enclosed with our Bid at (Attachment No. to be indicated).

Executive Engineer (E)
Aalo Electrical Division
Dept. of Power, Aalo

Note: 1. Continuation sheets, of like size and format, may be used as per Bidder's requirements and annexed to this Schedule.

2.3 (Reference: Clause 1 through 12 of QR-Section of Part-II) [Single Firm]

2.3.1 The details/documents, required as per above are included/furnished in our bid as indicated below:

- i) We confirm that our **Minimum Average Annual Turnover** for the best three years out of last five financial years is Rs. (in figures and words.....).
- ii) We hereby confirm that our **Liquid Assets** and/or evidence of access to or availability of **Credit Facilities** as on (Date) is Rs. (in figures and words.....).

2.4 (Reference: Clause 1 through 12 of QR-Section of Part-II)

- 2.4.1 i) A certificate from the Banker(s) as per format, **Annexure-A** is enclosed in Part-I (as stipulated in QR) with our Bid at (Attachment No. to be indicated).
- ii) Annual Reports/Profit & Loss Statement/Balance Sheets together with Additional Statements of Accounts for last five years are enclosed with our Bid at (Attachment Nos. to be indicated)
- iii) Details of data/documents, as stipulated in QR, is enclosed with our Bid at (Attachment No. to be indicated).

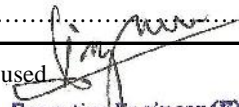

2.5 Description of Plants, Tools and Tackles

Item of equipment		
Equipment Information	1. Name of Manufacturer	2. Model and power rating
	3. Capacity	4. Year of manufacture
Current Status	5. Current Location	
	6. Details of current commitments	
Source	7. Indicate source of the equipment (tick)	
	<input type="checkbox"/> Owned <input type="checkbox"/> Rented <input type="checkbox"/> Leased <input type="checkbox"/> Specialty manufactured	

Omit the following information for equipment owned by the Bidder.

Owner	8. Name of Owner	
	9. Address of Owner:	
	Telephone	Contact name and title
	Fax	Telex
Agreement	Details of rental/lease/manufacture agreements specific to the project.	

For each manufacturer, separate sheet should be used

Executive Engineer (E)
